f For the Louisville Democrat.] Mr. Attorney General Harlan and the

Editor of the Journal. Messrs. Entrons: The editor of the Journal is out somewhat in justification of Mr. Harlan, for thrusting his opinion upon the City Council relative to the power of that body to establish additional voting places. The editor says:

"Editors may talk as much as they please about political prejudice, but we are sure that no candid and sensible man of any party can read Mr. Harlan's opinion, and this report, without seeing that this decision is correct."

There are very many lawyers in this city who differ with Mr. Harlau and the report. True, they are not as condid as the editor of the Journal, and probably not quite as sensible on law matters ahe, yet they are tolerable condid and tolerable

sensible men. They have read the decision and Scrofilla, by spepsia. Decaugements of the Liver, Spleen, report, and still they think Mr. Harlan's opinion is and Khlneys. Rhenmallsm, and all gruptive discass. a mere pettifogging quilible.

There is one point upon which we think all hands should agree, and that is, that Mr. Harlan has inare of its victims. It is all-devouring and unappeasible.

It is said in Holy Writ—"They that take the late of his duty as a public officer. He should have left the matter entirely with the Know-No-

granted | pend upon being well treated while at their rooms. the conscientions know-Nolhing members of Webster & Brother, Daguerreotypists & BROOMS. convenient way of getting them-at any rate it is who reports to the faithful, and they, conscientious souls? though anxious to let the people vote, can-not sin against light and knowledge, and therefore foreigners have so little self-respect as to he fills; he has lessened himself in the estimation of all right-thinking men, the editor of the Jour-nal's opinion to the contrary notwithstanding

usable, and not until then.

(For the Louisville Democrat. Messrs, EDITORS: The deviation of the editor of increasing; every day furnishes a more and more bitter denunciation of the true American partylaws inviolate; and in his wild, enthusiastic devotion to the new system of Know-Nothingian, he rates daringly advertise their pernicious deceptions un attacks and stigmatizes the main body of the

Later from Europe.

ARRIVAL OF THE ASIA. HALIFAX, Aug. 1st. The steam-hip Asia reached her wharf last night, otwithstanding the rain and thick weather, with

Liverpool dates to the 21st nit.
Advices from the seat of war embrace no move ents of importance.

The nest importance.

The nest important event in l'arliament during the week, has been the rejection of a motion by Mr. Roeback for a consure of the government which sustains the Palmerston ministry. The motion was defented by a majority of 100.

The latest report from London, mentions a rumor that Lord John Russell was to be succeeded by Six William Melaworth as Colonial Secretary. Sir William Molesworth, as Colonial Secretary

FURTHER BY THE ASIA.

The most important event of the week has been

he rejection, by Parliament, of Roebuck's motion f censure upon the government. There was a majority of 100 against the motion, and the Palmerston ministry consequently still

The last dispatches from London, prior to the sailing of the Asia, mention, as a rumor, that Sir William Molesworth will succeed Lord John Rus-sell as Colonial Secretary. Before Sevastopol there is nothing of import-ance, except formidable preparations for an as-

Two or three small serties had taken place, but had been repulsed.

The Turks and Sardinians had returned from Bauler to Balaklava, where another secret expedi-

s preparing, perhaps for Odessa.
Turks are bosieging Kars, and the Turks in sia are hard pressed. Deumark refuses to abolish the Sound dues. The general aspect of the war is not encourag-

ing to the Allies.
Three successful sortics were made upon the French from Malakoff Tower on the night of the 15th and all repulsed; also sorties were made against the English on the 8th which was also repulsed. On the night of the 1sth a sortie was made from the batteries of the Careenning Bay, which was vigoriously repulsed.

The Russians ships were beginning to suffer from the French batteries at Quarantine Bay.

The report that Gortschakoff has received large inforcements is fully confirmed.

A Black Sea expedition is being fitted out, but destination is unknown—supposed to be against Odessa, or to relieve the Turks who are hard pressed in Anatolio, Asia.

ed in Anatono, Asia.

The Russian army had invested Kars. Another detachment had advanced upon Kutae, and more were hard pressing the Turks in Batoun. The Russians were bringing their siege guns.

The situation of the Turkish force was considered critical, as the Russiads hold the roads to Erum in the Principalitie The reduction of the Austrian forces

ues.

Baltic.—The British snips of war are reconnoitering approaches to Abo. The Russian official Journal of July 3d complains that six English boats, under a flag of truce, entered the harbor of kauma and plundered the shipping until they were driven off by a sharp fire free the shore. GERMANY.—The government of Austria has addressed a circular to the German Diet strongly favoring peace, and threatening to hold the prin cipolities while hostilities continue. She asks, moreover, the Germanic confederation to maintain its present attitude. The diet replied that circumatances do not call for fresh measures, and it does not contemplate extending its obligations or en-

Most of the small German States are preparing disarm. The resignation of the Hanoverian abinet is hourly expected.
